Referencje

Zaświadczamy, że firma Consultrix Centrum Obsługi Biznesu z siedzibą we Wrocławiu przy ul. Kiełczowskiej 68A realizowała zadanie zapewnienia kompleksowego nadzoru nad Bezpieczeństwem i Higieną pracy na rzecz II etapu budowy inwestycji Fabryki baterii akumulatorowych do aut elektrycznych inwestora LG Chem.

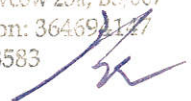

Firma Consultrix Centrum Obsługi Biznesu zapewniała przez cały okres trwania budowy pełne zaplecze w zakresie BHP na rzecz jej Generalnego Wykonawcy - Serveone Poland Sp. z o.o.

W ramach powierzonych zadań, firma zajmowała się:

- Koordynacją prac firm podwykonawców;
- Prowadzeniem dokumentacji w zakresie BHP i weryfikowaniem jej u firm przystępujących do współpracy na budowie;
- Zarządzaniem zespołem pracowników fizycznych, którzy realizowali zadania na rzecz zapewnienia bezpieczeństwa pracownikom obecnym na budowie;
- Organizacją pracy ochrony obiektu;
- Realizacją szkoleń BHP i dodatkowych form edukacyjnych – m.in. w zakresie poszerzania kwalifikacji pracowników;
- Wdrażaniem nowych firm zagranicznych na rynku polskim rozpoczynających pracę na budowie w standardy BHP inwestycji oraz przepisy prawa.

Powyższe działania zostały ocenione przez Państwową Inspekcję Pracy na drodze konkursu „Buduj Bezpiecznie”, w którym Generalny Wykonawca Serveone Poland Sp. z o.o. Wrocław został nagrodzony II miejscem w kategorii „Budownictwo Przemysłowe”, zaś inwestor LG Chem dodatkowo wyróżniony.

Wszystkie powierzone zadania realizowane były rzetelnie oraz merytorycznie. Jako Generalny Wykonawca budowy, jesteśmy w stanie w pełni polecić „Consultrix Centrum Obsługi Biznesu” jako kompetentnego i doświadczonego partnera w branży BHP. Zaświadczamy tym samym, że wszystkie powierzone firmie zadania zrealizowane zostały terminowo i z uwzględnieniem warunków panujących na budowie oraz przepisów prawa.

Reference

We certify that the company "Consultrix Centrum Obsługi Biznesu" with its registered office in Wrocław at Kielczowska 68A carried out the task of providing comprehensive supervision over Occupational Health and Safety for the second stage of LG Chem electric cars advanced battery plant construction project.

"Consultrix Centrum Obsługi Biznesu" provided full health and safety service throughout construction site period for its General Contractor - Serveone Poland Sp. z o.o. .

As part of the tasks assigned, the company was responsible for:

- Coordination of the work of subcontractors
- Preparing documentation in the scope of health and safety and verifying it inside companies joining the cooperation on the construction site
- Managing a team of physical workers who carried out tasks to ensure the safety of employees present at the construction site
- Organization of security on construction site
- Implementation of health and safety training and additional forms of education - including expanding the qualifications of employees
- Implementation of new foreign companies starting work in Poland on construction site in the OHS standards of investment and legal regulations.

The above activities were assessed by the National Labor Inspectorate through the "Build Safely" competition, in which the General Contractor Serveone Poland Sp. z o.o. Wrocław was awarded the second place in the category "Industrial Construction", while the investor LG Chem was additionally awarded.

All tasks entrusted were carried out reliably and essentially. As a General Contractor of construction, we would like to recommend the "Consultrix Centrum Obsługi Biznesu" as a competent and experienced partner in the health and safety industry. We hereby certify that all tasks entrusted to the company were completed on time and taking into account the conditions prevailing at the construction site and the Polish law regulations.
