YOO-JIN IMS Poland Sp. z o.o.

YOO-JIN IMS Poland Sp. z o.o.

References

With pleasure we recommend the BHProjekt Team from Wrocław. During our cooperation we had a chance to recognize them as a trustworthy and professional partner in business.

BHProjekt was renting us a Health and Safety Officer who was responsible for H&S services to our company. The delegated person was a skillful and hard working person who quickly became a part of our team.

Direct cooperation with the BHProjekt representative was problem free and worth recommending.

Best regards.
